

Pope Urgently Calls on Catholics to Resist Newest Attack on Marriage!

NEWS FLASH!

Holy Father Urgently Seeks Loyal Catholics to Defend Marriage and Society from “Insidious and Dangerous Threat” of Homosexual “Marriage”

October 7, 2010
Feast of Our Lady of the Rosary

Dear Faithful Catholic Friend,

The Sacrament of Matrimony is under all-out attack, and the Vicar of Christ himself is asking you to defend it!

Militant homosexuals, activist judges, “Catholic-in-name-only” politicians, and demonic forces are all threatening marriage, the basis of civilization, as never before in history.

Even in Portugal, where Our Lady appeared to the children of Fatima, the lawmakers are now legalizing so-called “same-sex marriage.” Visiting Fatima in August, Pope Benedict XVI boldly called on Catholics to **push back** against legalized abortion and so-called “gay marriage:”

“Protecting the essential and primary values of life, beginning at conception, and of the family based on the indissoluble marriage between a man and a woman,” are the **only** truly Catholic response to abortion and homosexual “marriage,” which he called “today’s most insidious and dangerous threats to the common good.”

On top of that, my friend, “gay marriage” is a demonic attack on the Catholic Church Herself. We’re in for the fight of our lives, because...

...a homosexual judge’s ruling
will make criminals out of Catholics!

I’m sure you’ve heard that here in California, homosexual Judge Vaughn Walker has overturned the will of the people, who voted to legally define marriage as between one man and one woman only.

What’s more, Walker said, “Religious beliefs that gay and lesbian relationships are sinful or inferior to heterosexual relationships harm gays and lesbians.”

Do you see what this means? If higher courts uphold Walker’s twisted ruling, it will criminalize the Church’s teaching that homosexual acts violate the Natural Law, as Scripture and Sacred Tradition clearly teach.

So when this judge says your religious beliefs “harm” homosexuals, he’s really saying, “If you don’t

(over, please)

change your religious beliefs, the government is going to punish you.”

This is the REAL motive behind the push for “same-sex marriage:” to persecute us Catholics and silence the Church’s moral teachings forever.

But that’s not all. If upheld, Walker’s decision will also enable radical “gays” to file financially bankrupting lawsuits against the Church for refusing to perform “gay weddings,” which are a demonic mockery of the Sacrament of Matrimony. And make no mistake, “gay weddings” are demonic.

WARNING: 11 reasons why “gay marriage” would be
a spiritual, moral and civil disaster

My friend, “gay marriage” **is not** some minor issue we can be “tolerant” about. It’s a spiritual, moral and civil disaster that we must oppose with all our strength. That’s because it will...

- **ttack the very heart of the natural union** between man and woman that Jesus Christ Himself raised to the level of a Sacrament
- **drag Almighty God’s holy plan down** to the gutter level of sexual perversion
- **force your parish to welcome “gay weddings”** or pay huge penalties for “hate crimes”
- force Catholic military chaplains to hold “gay weddings” or face severe punishment
- **force Catholic schools to teach our precious children** that perverted sex acts are as good and normal as their Moms’ and Dads’ love, or close their doors
- **force Catholic employers to pay benefits** to “married” homosexual workers or face prosecution
- force taxpayers to finance the vile, disease-spreading deeds of homosexuals through the benefits that married couples receive
- **overturn thousands of years of historical experience** that proves that man-woman marriages and traditional families are absolutely vital to the health and survival of civilization
- reduce the number of man-woman marriages and increase the number of heterosexual couples who just “shack up” instead, as shown by European countries’ experience
- **horribly insult our Blessed Mother and St. Joseph** by equating the revolting practice of sodomy to their holy marriage
- **blaspheme the All-Holy One and threaten to bring down His chastisement on us all**, which Our Lady of Fatima warned us about when she said, “War is a punishment from God for sin”

ALERT!! The “gay” war against marriage and the Church
has entered an ominous new phase

The war against marriage began with easy divorce and the Pill. In his landmark encyclical *Humanae Vitae*, Pope Paul VI foretold all the rotten fruit that the contraceptive mentality would bring:

(over, please)

- massive **social and moral decay**
- the **explosion of venereal diseases**
- shameless **co-habitation by millions**
- **divorce, infidelity and abortion**
- **family breakups and spiritual devastation**
- the growing influence of the **homosexual movement**
- **and now so-called “same-sex marriage”**

History proved the Vicar of Christ right on every count! But the world just ridiculed him. For decades now, the Church’s foes have said to our popes and bishops, “What do you know about marriage? You’re just a bunch of celibate old men?!”

It’s time to “turn the tables” on the “gay marriage” pushers!

It’s high time that we Catholics shout from the rooftops with one voice:

“What do Judge Walker, the radical ‘gay’ activists, the Catholic-in-name-only politicians, the Hollywood ‘gays’ and all the other promoters of “gay marriage” know about marriage and its God’s plan for it?” **Answer: absolutely nothing!**

You and I both know that all the pompous Judge Walkers, politicians and other promoters of sodomy in the world **can’t “redefine” marriage—because God has already defined it for all time!**

As Fr. Bill Casey says, “Marriage is God’s business, it is the Catholic Church’s business **and it is your business**—because peoples and nations and cultures and civilizations stand or fall with the life of the family.” “Gay marriage” is a huge escalation of the war against marriage and family.

Why we can’t rely on politicians to save marriage

Militant homosexuals will stop at nothing in their ruthless campaign to utterly destroy the traditional concept of marriage and family, and persecute the Church. So now more than ever, every faithful Catholic must TAKE ACTION to defend marriage and the family.

That’s because history proves that no civilization has ever survived the downfall of marriage and family life—and ***ours will be no different!***

But we can’t sit back and rely on politicians to save marriage, because today even many so-called “conservatives” are pro-“gay marriage” or think sodomy is no big deal. As God says, “Put not your trust in princes, in man, in whom there is no salvation” (Ps. 146:3). It’s up to us Catholics.

And that’s why **Jesse Romero** and I are **going all-out** against the horrors of the Culture of Death every week on our global satellite radio show, *Reasons for Faith LIVE*, and our global Internet podcast, *Cultural Warriors for Christ*.

(over, please)

P.S. The news media are hiding the truth: what's really behind the push to “redefine” marriage is a high-powered, well-funded campaign to criminalize the Church’s moral teaching about homosexual acts as part of **an all-out attack on Catholicism and Catholics in America.**

So please answer the Pope’s urgent call to TAKE ACTION against the latest development, which my letter warns about. People say that “as California goes, so goes the nation.” So you must act NOW to help us combat what the Pope calls the “insidious and dangerous threat” of “gay marriage.” Please use the attached Urgent Reply Memo to join with CRC in answering the Holy Father’s call to defend REAL marriage and the Church **today!**
